| <b>Sri Chaitanya School</b><br>Board of Secondary Education, AP, <b>CGPA :- 9.0</b>                                   | 2017 - 2018 |

## Technologies

**Languages:** C++, HTML, CSS, Java Script, React.js.

**Core concepts:** OOPS, DBMS, MySQL.

## Projects

### MyShop – E-commerce Website

- Tech Stack: MongoDB, Express.js, React.js, Node.js, JWT, bcrypt, HTML, CSS, JavaScript.
- Designed and developed a full-featured e-commerce web application ("MyShop") from scratch using the MERN stack, delivering seamless user experiences and responsive UI.
- Implemented user authentication and authorization using JWT tokens, ensuring secure access to user-specific features. Using bcrypt for secure password hashing during login processes to enhance authentication robustness.
- Built RESTful APIs to handle product listings, user operations, and order management, facilitating efficient client-server communication.
- Employed MongoDB for scalable and flexible data storage, and React.js for building interactive front-end components.

## Work Experience

### Swadeep Holidays Pvt Ltd (Intern)

[12/2024 - 06/2025]

- **Technologies :-** Html, Css, Java Script, Ajax, C Sharp, ASP.NET MVC Core, SQL Server.
- **Responsibilities :-** The company positions itself as a leading destination for flight bookings, committed to providing unparalleled travel experiences. In this company i have worked on developing and enhancing UI components across multiple websites, ensuring a seamless user experience and resolved critical bugs. Utilize MVC Core to handle data efficiently from APIs, optimizing performance and data flow.
- Manage and troubleshoot CRMs integrated with company websites, improving overall functionality and efficiency. Focus on both front-end and back-end improvements to enhance user experience and system performance.
- Collaborate with cross-functional teams to streamline processes and strengthen the company's digital presence. Contribute to maintaining and upgrading travel and booking platforms with robust UI/UX solutions and backend support.
